AJMX NEWSLETTER #2

Hello All, we have received feedback where the answer would assist everyone, so lets share the event love.

Don't be afraid to send feedback, ask questions, we want the event to be safe and fair for everyone attending.

Racing Schedule

Every class will be on the track once a day until the last two days, where finals will begin, some classes may race twice on day

Supp Regs Update

The club is waiting for the Supplementary Regulations to be approved by Motorcycling Australia.

one (second last day) and once on the last day, or the other way around, once Thursday (second last day) and twice Friday (last day).

If your class that doesn't race heats you will still get a free practice session on the Monday before starting your finals on the Tuesday.
