

HORSHAM MOTORCYCLE CLUB

DOOEN RECREATION RESERVE | HENTY HIGHWAY | DOOEN

The gates are being prepped for an awesome 2017 KTM Junior Australian Motocross Championships at Horsham.

AJMX NEWSLETTER #3

Hello All, we have received feedback where the answer would assist everyone, so let's share the event love.

Don't be afraid to send feedback, ask questions, we want the event to be safe and fair for everyone attending.

SUPPLEMENTARY REGULATIONS UPDATE

The Horsham MCC expects that Motorcycling Australia will release the 2017 Australian Junior Motocross Championships Supp Regs early next week. The club was informed that it would be either Thursday or Friday, however, with the ASBK (Australian Superbike Championship) being held in Darwin this weekend, one assumes that the press release has been overlooked with the workload created by the ASBK.

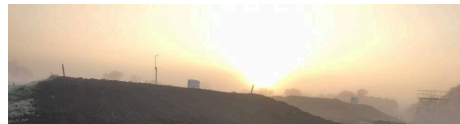

Once the Supp Regs are released everything will move in a forward direction quite quickly.

All entries will be made via cloudentries.com.au further information will be released once Supp Regs are released.

KAJX.NET will be providing an audio podcast reading through and explaining the Supp Regs once they are released.

REMINDERS

Camping sites are available to make bookings and are being arranged by bookings and are being arranged by Wimmera Events Centre (approx 6km from Dooen Motocross Track).
